

OLIVIA wants YOU!

(To be her home nurse)

- Who** Olivia Hope Maybury, a former 27-weeker micro-preemie born at 700g, currently 7 months old
- What** Home nursing including trach & G-tube cares, in addition to typical nursing duties
- Where** Tyngsboro, MA
- When** Preferably nights, beginning July 25
- Why** Becky and Max (parents) are hoping to sleep
- How** Please text or call Becky (**978-551-0363**) or Max (**978-349-1945**) for further info

- Pros** Olivia is super adorable (obviously), and loves snuggles
She can't scream (because, you know, she's trached...)
You'll become best friends with our husky, Anya, whose favorite pastime is sleeping
- Cons** You may have to endure Max playing the piano at odd hours
Becky will likely ply you with desserts
It is probable that you will leave the house with dog fur
